

Capability Statement

Established in 2007, **Vantage Pointe Medical, Inc.** is dedicated to providing orthotic back braces, lumbar supports, and thoracic lumbar orthotics to veterans through the VA Medical system. As a Woman Owned/Minority Owned Small Business, we can help meet your small business set-aside goals. We have over 30 years combined experience in the medical supply industry and will use that experience to help meet your orthotic needs.

Core Competencies

Orthotic Braces and Lumbar Supports

The LaceIT Brace: 6 Sizes – Small, Medium, Large, XL, XXL, XXXL

- ✓ The LaceIT X640 LSO assists in the treatment of acute and chronic lower back pain and provides pre and post surgical support of the lumbar spine.
- ✓ The LaceIT X640 LSO rehabilitates muscles while relieving pain.
- ✓ The LaceIT X640 LSO comfortably relaxes muscle spasms, prevents or retards muscle atrophy, maintains or increases range of motion, which may significantly increase the rate of healing and return the veteran/patient to a normal lifestyle.

Three LSO components that assist w/ pre & post op Treatment

Rigid Anterior Panel

- ✓ Provides rigid anterior patient support
- ✓ Can be easily removed for rehab
- ✓ Low profile design provides comfort when standing or sitting

Rigid Anterior Panel

Solid Posterior Frame

- ✓ Can be easily removed for rehab
- ✓ Extended height increases posterior coverage and support
- ✓ Latex free foam lining designed for increased comfort, breathability and compliance

Solid Posterior Frame

Easy to Put on, Remove and Adjust

- ✓ Bi-pull design amplifies closing strength for increased abdominal compression and to off-load the spine
- ✓ Conforms to sagittal and transverse planes ensuring proper fit and greater patient comfort
- ✓ Separate upper and lower closing control maximizes comfort and support and provides a custom fit off-the-shelf for all body types

Easy Lace-Up
